THE PATHWAY FOR YOUTH SAILING

Designed from scratch to meet the ISAF criteria to become the new official ISAF youth catamaran. In fact, the Nacra 15 is a smaller version of the Olympic Nacra 17, creating a pathway towards the Olympics.

Like the original Nacra 17, the Nacra 15 carries two curved dagger boards that provide lift. Nacra 15 is a semi-foiling catamaran, adding an extra dimension to sailing. More lift reduces drag, resulting in more speed and excitement.
