THE STEPPINGSTONE TOWARDS SERIOUS CAT RACING

The NACRA 16 offers everything that racing teams are looking for in a mature racing cat and more. An unique feature of the NACRA 16 are the "switch cases". They fit straight daggerboards for racing within the F16 class as well as curved daggerboards, inherited from the Olympic Nacra 17. No replacements of cassettes needed.

NACRA 16 is can also be sailed singlehanded. Designed to leave the sailors in control, NACRA 16 is much fun to sail. As well in racing as in touring mode.
